

LITHERLAND CIRCUIT LEAGUE

(Founded 30th September 2009)

PRESS RELEASE

The Litherland Circuit League Committee will again run a 20 week racing programme for the 2013 Season.

We are also, pleased to announce that High on Bikes will also, be sponsoring the League Series again for next year.

**11, Hurlston Court, Scarisbrick Business Park, Smithy Lane,
Scarisbrick, Lancashire, L40 8HN Telephone: 01704 841529**

Their website is: www.highonbikes.com

The first evening's racing will commence on Wednesday, the 10th April and will continue every Wednesday evening until the 21st August 2013. The TOS's for each week's racing has slightly changed from previous years because of the additional event being held each evening in 2013. So the D and E youth categories will start off the programme of events at 6:15 pm followed at 6:30 pm the races for the Youth A, B and C categories and then there will be Regional C+ event of 30 minutes duration starting at 7:00 pm for BC 4th category riders and Women. The final race of the evening will commence at 7:30 pm for:

BCF 2nd licence category for Senior and Junior riders

BCF 3rd licence category for Senior and Junior riders

BCF 4th licence category for Senior and Junior riders

The Registration and entry fees for 2013 will be shown on the Merseyside Cycling Development Group website:

<http://www.merseysidecyclingdevelopment.org/>

You can also, obtain them from the League Secretary, Andy Gibson.

Please remember it is cheaper for riders to register if; their club/racing team is registered to the League.

LITHERLAND CIRCUIT LEAGUE

(Founded 30th September 2009)

Before any rider will be allowed to sign on they must have registered and have been allocated a registration and a race number/s.

To encourage even more Youth D and E categories for both girls and boys to attend there is again for the 2013 season free registration for these two categories for the league events. Due to legal and insurance matters riders for these two categories will still be required to complete the League registration form and their parent/guardian will have to sign the registration form.

Although riders can register on their first week's attendance at Litherland Sports Park it would be appreciated however, if, competitors could register by post as early as possible so that there is not too many hold ups on the first couple of nights of racing in the series when there is severe light restrictions at this time of the year.

Due to the light restrictions already mentioned on the Wednesday nights during April 2013 the popular weekly 500 metres Handicap Series for youth riders will not commence for the 2013 season until the 1st May 2013. Entries for this competition should be given to the Chief Commissaire on the night of racing and is free for those who have already raced in the youth events and will be run before the start of the 4th category and Women's Event.

After each evening's racing the Litherland Circuit League Committee will award points for the leaders of each of the following licence categories:

Youth for each (A/B/C/D/E) licence categories. There are separate tables for the girls and boys.

Junior males for each licence (2/3/4) category
