- For further details of the North Wales Go Ride MTB series see www.bnecc.co.uk under the “Go Ride” tag. Note that racing generally starts at 10.30am but the course is open at 9am for practice.
- For further details of CDNW events see http://www.cdnw.org/youth_league.html
- For details on Marsh Tracks, Rhyl see <http://www.marshtracks.co.uk> These events coincide with Litherland circuit races on Wednesdays but may be easier to get to for some with a slightly later start.
- For further details of all other events see www.britishcycling.org.uk/events
- Please be aware that Go Ride racing is for novices to get an introduction to racing. A BC licence is not required but entry fees will generally be cheaper for BC members see www.britishcycling.org.uk/membership . If a child then wishes to move on to national level Youth racing where licence points are accrued then a racing licence is required and they can no longer compete in Go Ride events.
- For information on the National Youth Circuit Race Series see <http://www.britishcycling.org.uk/nationalyouthcircuitseries>
- If you wish to be ride in NSR (National School of Racing) and RSR (Regional School of Racing) events for u14s and u16s please enter online and inform me so that I can recommend you to Tim Buckle, or otherwise! In general the road/circuit race events are unlimited in numbers but the track and MTB sessions are limited. Entry to Tim’s track sessions will require track accreditation.
